

# SMSF financial statement audit

Available in: NSW, SA, VIC

**L2** Intermediate Level

Do your SMSF financial statement audits comply with the ATO's mandatory requirements?

Find out the relevant auditing standards, reporting and documentation requirements to confidently complete your SMSF financial statement audits.

## About the workshop

Become familiar with the audit requirements in order to comply with the relevant accounting standards, reporting requirements and documentation files necessary to support your financial statement audit.

You will be taken through the requirements of completing a financial statement audit on an SMSF. Supported by case studies, you will work through the issues and risk areas you will face in auditing SMSFs.

## Workshop outline

This workshop will focus on the following areas:

- The relevant accounting and auditing standards that you should have regard for in undertaking your audit
- Your audit plan, procedures and working paper requirements
- Valuation issues
- Your audit report and management letter
- Meeting ATO requirements
- Problem and risk areas identified by the regulators
- Practice management issues that should be considered

## Workshop presenters

The audit team at Hayes Knight have written, and will present these workshops. The accompanying notes and presentation will have a practice focus and include experiences and material used in practice. Led by Greg Hayes FCPA, all presenters will be directors or managers at Hayes Knight, experienced in the audit of SMSFs.

Greg Hayes is a fellow of CPA Australia, the Taxation Institute of Australia and Australian Institute of Management, and heads up the tax and corporate finance team of Hayes Knight in Sydney. He specialises in strategic planning techniques, including professional practice management. These techniques have enabled the growth of the Hayes Knight Group, who are now listed in the top 20 firms in Australia.
