

CPA MEMBER CONNECT TESTIMONIAL VIDEO TRANSCRIPT

WARREN MCRAE FCPA

COO – INTERNATIONAL PRIVATE BANK

PRESIDENT – DIVISIONAL COUNCIL EUROPE

With CPA Member Connect

I'll be able to benefit from gaining insights,
opinions, and advice from our really diverse membership base.
Working internationally there's many times where I
really want to understand a country or region better,
and having the ability to engage with a local CPA connection
is a really great benefit.

PRESIDENT – DIVISIONAL COUNCIL NSW

CPA Member Connect will

allow me to think differently, and that means having a
visual on another opinion that's posted to either my question
or another member's question, will make me think outside the box.

I've already gotten so much out of it already,

and everyone is really willing to share,

and just gaining more knowledge will only increase with more users.
