
TAKING CARE OF BUSINESS

This year has brought us all some big challenges.

And while some areas are showing signs of recovery,

for others, it'll take more time.

Wherever you are, with the right planning,

the sharing of ideas and the strength of partnerships,

you can support businesses with leadership and expertise

on the journey to recovery.

Join us to hear from industry leaders

about how you can keep taking care of business.

CPA Virtual Congress 2020

10 - 12 November 2020
