The Prime Minister announced an RM10 billion PRIHATIN Supplementary Initiative Package (KITA PRIHATIN) on 25 September 2020, which covers additional initiatives and assistance targeted at the:

- a) B40 and M40 households and single persons
- b) Local workers
- c) Micro traders

This follows initiatives such as instituting a “Targeted Loan Moratorium” to follow the six month blanket moratorium that ends on 30 September 2020 and the introduction of the fourth support budget (Short-Term Economic Recovery Plan or PENJANA) in June 2020.

Overall, the Government has announced a range of measures in collaboration with the central bank of Malaysia (Bank Negara Malaysia (BNM)), government linked companies (GLCs) and private corporations to mitigate the economic impacts of COVID-19. The measures are said to total MYR305 billion.

**SUPPORT FOR BUSINESS**

**Supporting businesses with cashflow**

- A Wage Subsidy Programme (WSP) is established to assist employers retain their workers. The Government will co-fund the monthly wages of local employees (capped at 200 employees per entity) as follows:
Company’s staff numbers | Subsidy per eligible employee^ per month | Eligibility threshold
---|---|---
>200 workers | MYR600 for each eligible employee | Only businesses with a 50 per cent or greater decrease in revenue since 1 January 2020
76 – 200 workers | MYR800 for each eligible employee | Only businesses with a 50 per cent or greater decrease in revenue since 1 January 2020
<76 workers | MYR1,200 for each eligible employee | All business with 75 or less employees are eligible

^ an ‘eligible employee’ is one that earns MYR4000 and below per month, and who has registered and is contributing to the Employment Insurance Scheme (EIS)

The wage subsidy will be available for three months between 1 April 2020 and 31 December 2020.

A condition of this hand-out is that the employers must ensure that they do not retrench, impose unpaid leave or force a wage cut on their employees for six months from the start of the subsidy. Eligible employers are those registered with the Companies Commission Malaysia (SSM) or local authority and PERKESO. Application for this support can be made by employers at www.perkeso.gov.my from 9 April 2020. Deadline for applications is 30 September 2020.

Under PENJANA, it is announced that the WSP will be extended for a further three months with a fixed subsidy of MYR600 per employee for all eligible employers. Also, the conditions to the current WSP will be enhanced as follows:

- employers receiving wage subsidy are allowed to implement reduced work week, and
- eligible employers are allowed to receive the subsidy for employees on unpaid leave

However, details surrounding the revisions to the programme is not available at the time of writing. It is uncertain at this juncture which of the conditions previously imposed will continue to apply and also whether the enhancement may apply retroactively.

A **Targeted Wage Subsidy Programme (WSP 2.0)** is introduced in KITA PRIHATIN to support businesses that continue to be affected by the pandemic. Key features of the WSP 2.0 are:

- Subsidies are given to employers (namely companies) that continue to experience 30 per cent or more drop in annual revenue (compared to last year);
- The subsidy will be given for up to three months at a rate of RM600 per month per employee up to a maximum of 200 employees; and
- Applications open from 1 October 2020 – 31 December 2020

Additionally,

- The WSP 2.0 will be made available to companies registered with SOCSO prior to 1 September 2020; and

---

^ Available only to the tourism sector and businesses prohibited from operating during the conditional movement control order (CMCO) period.
Those who had not received any WSP will be eligible for up to 6 months of subsidy under the WSP 2.0.

- Sectors (other than tourism) affected by COVID-19 will be allowed to revise their profit estimates for 2020 and their monthly income tax instalment payments. No penalties will apply.
- The payment of Human Resource Development Fund (HRDF) levy for all businesses will be exempted for a period of six months starting April 2020.
- Expenses incurred by businesses to provide employees with disposable Personal Protective Equipment (PPE) such as face masks are eligible for tax deduction under subsection 33(1) of the Income Tax Act 1967. Expenditure on non-disposable PPE products can be claimed as a capital allowance. Under PENJANA the scope of allowable expenses is extended to include COVID-19 testing as well as thermal scanners.
- All financial institutions are required to provide financial relief in the form of payment moratorium comprising restructuring and rescheduling loans for affected businesses and individuals. This includes loans from TEKUN, MARA and cooperatives as well as government agencies that grant loans to SMEs, starting 1 April 2020. The “blanket” moratorium expires on 30 September 2020. Subsequent to that a “Targeted Moratorium” will be granted on a case by case basis, by way of application by the borrower.

Full stamp duty exemption will be given on loan agreements arising from restructuring and rescheduling of businesses loans provided that the original loan agreement between borrower and financial institution has been stamped. This exemption will be available from 1 March 2020 to 31 December 2020.

Banks’ income from interest or profit from loans or financing on which a moratorium is provided will only be taxable when the income is received after the moratorium period.

- The Danajamin Prihatin Guarantee Scheme will provide a guarantee of up to 80 per cent of the working capital finance required by large companies who are facing difficulties due to COVID-19. The minimum guaranteed loan amount is MYR20 million per business and is subject to credit evaluation by Danajamin.
- Malaysia Airport Holdings Berhad (MAHB) will provide rebates on rental for premises at the airports it manages as well as landing and parking charges.
- The Government and TNB will jointly subsidise 15 to 50 per cent of electricity bills of usage up to 600kw -
  - 50 per cent discounts for usage of less than 200kw
  - 25 per cent for usage between 201-300kw
  - 15 per cent discount for usage of 301-600k.

This discount will apply for six months, commencing with bills charged from the month of April 2020.

- In collaboration with the telecommunication companies (telco), the Government has arranged for the provision of free internet to all telco customers (businesses and private consumers) starting 1 April 2020 until the end of the Movement Control Order (MCO).
- 50 per cent remission of penalty for late payment of Sales Tax and Service Tax due and payable from 1 July 2020 to 30 September 2020.
- One-off grant up to MYR5,000 per childcare centre registered with the Ministry of Women, Family and Community Development (MoWFCD), up to 31st December, to comply with the new healthcare standard operating procedures.
• Incentive to train new practitioners for child nursing and early education course under MoWFCD

Support for Small-medium-enterprises (SMEs) and micro-entrepreneurs
