

TRANSFORM TO PERFORM FOR LEADERSHIP EXCELLENCE

KUALA LUMPUR 13 – 14 AUGUST 2018

INTRODUCTION

Find the missing Gap in your role as a leader and shift the paradigm by understanding what that business really need from a new edge Leader. Learn to understand various human behavior and how you can leverage on other resources to strive a better work life balance. This special workshop includes a complete step-by-step guide to boost up your performance level. This is one of the most important skills any managers and supervisors should learn quickly.

Five important elements you need to know

1. **Vision:** Have a vision of what you are going to achieve
2. **Plan:** Leaders are not just dreamers - turn your visions into achievable goals
3. **Communication:** Communicate your plans in a way that generates enthusiasm for team members to share the vision
4. **Build Trust:** Communicate a climate of trust, which encourages openness, the willingness to change and learn, as well as commitment to your plans
5. **Self Initiation:** Leaders exercise self initiation and demonstrate commitment

LEARNING OUTCOMES

At the end of the workshop, participants will be able to:

- acquire the right mindset a new edge manager need
- be familiar with the new emerging roles of a manager
- understand the importance of managing tasks and people
- increase awareness of how to leverage on technology and work with numbers
- leverage on your strengths in becoming a business leader

WHO SHOULD ATTEND
